

Become Indispensable at Work

Here is a summary of the many strategies you can employ to become the kind of employee your company can't live without.

- * Volunteer in other department.
- * Take the job no one else wants.
- * Go the extra mile.
- * Work harder when the cat's away.
- * Get credit for your group.
- * Make your boss look good.
- * Become a mentor to junior or new members of your company.
- * Handling key client development.
- * Figure out what's needed, not what's expected.
