Dear Mr. Davidson:

I would like to take this opportunity to thank you for the educational presentation on *Finding More Breathing Space at Home and at Work* that you presented at the 1993 NRECA Executive Secretary's Conference in Nashville, Tennessee. I found your presentation to be interesting and humorous. With the "information boom" approaching, it is very difficult to determine where best to spend your time and money. Your sessions were more than worthy of both!. Perhaps the most important thing that I have learned from your work is that it is not so important *what* you know, but that you know *where* to find it.

I would also like to thank you for the copy of *Blow Your Own Horn*. I can't put it down!.

Many years of success to you.

Yours truly,

Pam Bradley  
Executive Secretary
