Re: Feedback from ABC Luncheon

Dear Jeff,

I attended the ABC Luncheon at Brier Creek Country Club on Wed Sept. 9th, and found your speech to be extremely beneficial and compelling. I would love to learn more!

I liked the way you started off the speech with engaging the audience (after a heavy pasta lunch) with your story of backpacking in Europe. I also enjoyed learning about the 5 subtopics below the "Breathing Space" speech.

Please forward me the DVD, CD, and your book so I can learn more.

Regards,

Curt McCaskill
