Dear Jeff,

Enclosed you'll find a tape and copies of my scripts of the reports that resulted from the interview I did with you back in May. The reports aired over the Thanksgiving holiday period. I believe they got frequent play.

I did read your book, by the way, and thought it was very good. I think you show a real insight into the workings of the office. I wouldn't hesitate to recommend it to my boss, and I'm hanging on to my copy for future reference.

Thanks again,

Jamie McIntyre
