Dear Mr. Davidson:

Your presentation on the Princess resulted in establishing some order on my desk and evaluation of the worth of all my papers (a good number of which were disgarded as of no use).

Your presentation evaluation:

1. Content excellent.
2. Good eye contact with audience.
3. Well organized talk.

Suggestions:

1. Visual aid.
2. Do not let the audience take over with long responses. People come to hear you.

Best regards,

Alfred A. Alessi
