Dear Jeff ~

I enjoyed your lecture yesterday and hope to have the pleasure of attending future ones. I know I could benefit from reducing the nearly overwhelming amount of paperwork and reading material that seems to never get whittled down to size.

Please excuse the handwritten note, but I thought I would take up a bit of your advice and respond to your kind offer without postponing writing you upon my return to the states.

My address is as follows:

DARRELL R. JULIAN

7491 CONROY-WINDERMERE ROAD

ORLANDO, FL 32835-2769

FAX: (407) 291-8316

Kind regards,

Darrell — cabin # F397
