December 8th 1984.

Dear Mr. Davidson,

I found your lecture on "Breathing Space" very interesting. I would like to read the book that you showed us during the lecture. You stated that you would send me a free copy if I wrote to you. Thanking you in advance, I remain.

Sincerely yours,

*Arthur Kruger*

P.S. The lecture that I attended was aboard the "Meridian" during the November 21st to December cruise.
