

"An Enduring Influence"

Glenna Salsbury,

Dear Jeff,

You continue to amaze me. Your thoughtfulness in sending me the highlights and clues on all the Christian publishers is simply awesome. First, I am touched

at your awareness in knowing my passion - and, secondly, the effort you invested in my behalf. A heartfelt hug - and, an enormous thank you for the fabulous VOE interview you created with Jeff Blackman. Everyone will love your insights! Always sending hugs to you!
